

Environmental Policy Statement

Turnell & Odell Ltd believes it has an important duty to ensure good environmental performance in all its business operations and to provide the necessary organisation, commitment and training to fulfil this obligation. The senior management firmly believes in, and is committed to monitoring and improving environmental performance, pollution prevention and environmental protection.

These aims will be achieved through:

- Incorporating environmental responsibility into all business operations by planning environmental protection and reviewing and developing the policy.
- Utilising the best available techniques not entailing excessive costs (BATNEEC) to comply with the requirements of existing and future legislation, and encouraging those working on our site to meet the same standards.
- Implementing a systematic waste minimisation programme to reduce waste.
- Pursuing continuous improvement in environmental performance, where reasonably practicable, by reducing energy and water consumption, increasing reuse and recycling and improving solid and liquid waste management methods.
- Being committed to maintaining effective communication systems on environmental matters through training and improved awareness.
